

DEPARTMENT OF INTERNAL MEDICINE

MEDICAL GRAND ROUNDS

“Update from Antibiotic Stewardship: Importance of AMS and Managing Penicillin Allergy”

Learning Objectives – After attending activity, participants should be able to:

- Review the core elements of antimicrobial stewardship.
- Discuss components of antimicrobial stewardship program.
- Identify risks associated with antibiotic misuse.
- Identify which antibiotics may be safe to use in patients with penicillin allergy.

SPEAKERS:

- Tasha St. John, Pharm.D. / Antimicrobial Stewardship Pharmacist, Ellis Medicine
- Kate Kim, Pharm.D. Candidate Class of 2020 / Pharmacy Student

WHEN: Friday, October 16, 2020, 8:00-9:00AM / Webinar

CME Accreditation Statement:

Ellis Medicine is accredited by The Medical Society of the State of New York (MSSNY) to provide continuing medical education for physicians.

Ellis Medicine designates this live activity for a maximum of **1.0 AMA PRA Category 1 Credit (s)**[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

AAFP Accreditation Statement:

Application for CME credit has been filed with the American Academy of Family Physicians. Determination of credit is pending.

American Board of Internal Medicine (ABIM) Maintenance of Certification (MOC) Recognition Statement:

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 1 Medical Knowledge MOC points in the American Board of Internal Medicine’s (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for this activity. It is the CME activity provider’s responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.
